Registration Costs

All memberships include coaching, ice fees, and skate rentals. If you have speed skating skates, please contact info@sudburysprinters.com for a discount.

Cash, post-dated cheques or e-transfers are accepted for the fundraising amounts. The SSSSC has a FlipGive account: amounts you collect through this application will be applied towards your fundraising amount, and only the remaining amount will be collected.

A post-dated cheque must be provided to cover the skate deposit. It will be returned at the end of the season when skates are returned.

Based on your answers above, select your registration cost.

Ontario Speed Skating Association (OSSA) has fees to cover insurance for the skaters while on the ice. Speed Skating Canada (SSC) also has fees. Most of our skaters fall under the 'Club Skater' category, and will pay \$40.77 to cover both these fees. We will review applications, and reach out if the skater should be registered in a different category.

Cheques and cash can be provided at the skate fitting session or the first practice.

E-transfers can be mailed to treasurer@sudburysprinters.com. Make sure to indicate the skater's name.

Payment by instalments is available upon request. If you require financial assistance, contact Human League at 705-670-8633 or www.humanleaguesudbury.com.

Waivers and forms:

The following waivers and forms will be provided to registered skaters prior to the first practice:

- SSSSC Waiver (Skate Rental Agreement, Membership Agreement, Injury Waiver)
- SSSSC COVID-19 Return to Sport Protocol Acknowledgment
- City of Sudbury COVID-19 waiver

Every skater needs to be registered on IceReg to complete OSSA and SSC waivers, including a Concussion waiver and an Acknowledgment, Release, Indemnity and Assumption of Risk regarding COVID-19 form.
