

Sudbury Sprinters Speed Skating Club

2023-2024 Registration

Send completed form to info@sudburysprinters.com.

Send e-transfers to treasurer@sudburysprinters.com.

Practice Times

Beginner group: 5-6 PM

Intermediate group: 6-7 PM

Senior group: 5-7 PM

We try to accommodate families with multiple skaters.

If a skater surpasses the ability of the beginner group during the season, they may be moved up to the intermediate group.

Because of ice sport competitions held at Countryside arena on weekends, we tend to have fewer practices on Saturdays (about 1/2 fewer than Tuesdays). Registration fees reflect this.

Refund Schedule

Once the Learn to Speed Skate program has begun, refunds will not be provided.

For the 2023-2024 Regular Season, if a skater withdraws voluntarily, the Club can not guarantee a refund. The SSSSC commits to ice time in September based on the number of registered skaters. The SSSSC can not guarantee a refund since practices will continue and ice time needs to be paid.

If a skater is injured, and cannot complete the season, an 80% refund, prorated and starting 4 weeks after the club has been notified of the injury, will be provided. This refund is increased to 90% if applied to next year's registration.

Registration Costs

All memberships include coaching, ice fees, and skate rentals.

If you have speed skating skates, please contact info@sudburysprinters.com for a discount.

The cost of renting ice rises annually, but we strive to keep our Registration fees as low as possible. If you have a fundraising idea, please share it with the club at info@sudburysprinters.com.

Based on your answers above, select your registration cost:

Speed Skating Ontario (SSO) and Speed Skating Canada (SSC) have membership fees to cover insurance for the skaters while on the ice. Most skaters fall under the 'Club Skater' category, and will pay **\$43 (2023-2024)** to cover both these membership fees. If a skater competes at a meet, a 'Competitive Skater' membership will need to be purchased. The difference in fees will need to be paid (for 2023-2024: \$113, therefore \$113-\$43=**\$70**).

Cash and cheques for registration fees can be provided at the skate fitting session or the first practice. E-transfers can be mailed to treasurer@sudburysprinters.com. Make sure to indicate the skater's name.

Cash, post-dated cheques and e-transfers are accepted for the fundraising amounts. The SSSSC has a FlipGive account: amounts you collect through this application will be applied towards your fundraising amount, and only the remaining amount will be collected. Details will follow.

Skate Rentals

A post-dated cheque (\$500) must be provided to cover the skate deposit. It will be returned at the end of the season when skates are returned.

Payment by instalments is available upon request.

If you require financial assistance, contact Positive Leisure Activities for Youth (PLAY) at <https://www.smcf.com/play-program/>. Children who are eligible for the program can access up to \$250 per seasonal application to help pay for leisure activities.

Skate Sharpening

Speed skates will be sharpened at no cost at the start of the season. Skates can not be sharpened at a hockey sharpening location. Sharpening is available by the club throughout the season for \$5. If the blades have extensive damage, the cost is \$10 due to the additional time required. Typically, the following schedule is recommended for speed skate sharpening:

Beginner: once every 10-15 hrs of skating

Intermediate: once every 8 - 10 hrs of skating

Advanced: once every 4 - 6 hrs of skating

**If a burr is noticed, skates must be sharpened.*

Mandatory equipment:

The items in **bold** are available for purchase through the club during skate fittings and throughout the season.

- clothing with long sleeves and long pants or **speed skating suit**
 - intermediate and senior skaters should consider a **cut-proof suit**.
These can be ordered through the club.
- **speed skating helmet**, downhill skiing or hockey helmet; biking helmets are not permitted.
- **safety glasses with straps to hold them snug on the head**
- neck guard with bib
- thick gloves or mittens (more advanced skaters should consider purchasing **leather gloves**)
- knee pads
- **shin guards**
- **Kevlar ankle guards**

Parents/Guardians Meeting

A meeting will be scheduled at the beginning of the season to explain practice format, the season's schedule, racing options and equipment. A Sudbury Sprinters Speed Skating Club Manual will be distributed at this time.

Waivers:

Every skater needs to be registered on IceReg to complete SSO and SSC waivers, including a Concussion waiver. Details will follow.
